About Embleton and Northumberland

The village of Embleton can be traced back to beyond medieval times and during the Wars of the Roses, it suffered much from the ravages of Scottish invaders. Today, ancient castles and ruins stand testament to Embleton's turbulent past; the Church of Holy Trinity is a late-Norman church, dating from the 12th century, later to be restored in Victorian times. Viewed from the sea, the undulating whinstone ridge that shelters much of the village from east winds, resembles a caterpillar, hence the old name 'Emeldune', meaning the hill of the caterpillar. The rolling countryside means that golfers can enjoy a good 18-hole links golf course that overlooks the beautiful Embleton Bay. Recently launched is the Embleton Heritage Trails Project, consisting of six trails, ranging from a short walk around the village, to a longer six mile route, following the spectacular coastline and inland into the tranquil countryside.
